ABOUT THE PROGRAMME

The REVALORISE+ Researcher Training is a free 3-month programme which will help you extend the reach of your Social Sciences & Humanities (SSH) research beyond academia. The programme will take place in a blended format with some activities taking place online and others in-person.

THROUGH TAKING PART IN THE PROGRAMME'S INTERNATIONAL WORKSHOPS, SEMINARS AND NETWORKING, YOU WILL LEARN:

- The definition and different pathways of SSH valorisation
- How to assess the value and impact of research beyond traditional indicators
- Principles of entrepreneurial behaviour
- How to communicate the value of your research
- How to collaborate with external stakeholders

Participants in the **Valorisation Pathway** also have the opportunity to develop their **own valorisation plans** for creating impact from their research.

OCTOBER 2022 – JANUARY 2023

WHY SHOULD YOU BE INVOLVED IN THE REVALORISE+ RESEARCHER TRAINING?

01 Be a pioneer in making use of Social Sciences & Humanities research results

02 Expand your network through connecting with like-minded researchers and organisations

03 Learn from real-life valorisation champions from across Europe and beyond

04 Discover tools and methods to take your research beyond academia

05 Make a difference with your research

HOW YOU CAN BENEFIT?

WHO SHOULD PARTICIPATE?

PHD STUDENTS + EXPERIENCED RESEARCHERS THAT ARE CONDUCTING SOCIAL SCIENCES + HUMANITIES RESEARCH AT A HIGHER EDUCATION INSTITUTION OR ARE AFFILIATED WITH ONE.

TWO PROGRAMME PATHWAYS ARE AVAILABLE FOR PARTICIPANTS: whether you simply want to learn more about what it means to valorise your academic work, or you already have research out of which you want to create greater value...

	AWARENESS PATHWAY	VALORISATION PATHWAY
IDEAL PARTICIPANTS	PhD students & experienced researchers that want to learn more about the concepts of research valorisation and impact creation	PhD students & experienced researchers that have research results/projects with the potential to create societal impact
FOCUS	Learn about the importance of valorisation and how it can be undertaken and supported	Learn about the importance of valorisation and how it can be undertaken and supported. Additionally, you will be guided through the process of creating your own valorisation plan to create impact from your research

*(2 days a week for 7 weeks)

Social Sciences topics may include (but are not limited to) social and behavioural sciences, education, journalism, business, law and administration. Humanities topics may include (but are not limited to) religion studies, languages & culture, literature, area studies, history, philosophy and arts. ***Undergraduate students are not eligible to participate***

PERSONAL VALORISATION PROJECTS

Personal Valorisation Projects (PVPs) are central to the REVALORISE+ **RESEARCHER TRAINING**. Each participant undertaking the Valorisation Pathway will be guided through the process of completing a PVP based on their own research ideas or project. Throughout the programme, each participant will provide details about their PVP, which they will present in the final month of the Programme.

For Valorisation Pathway participants, the total number of hours scheduled in the REVALORISE+ **RESEARCHER TRAINING PROGRAMME** is about 40 hours (including presence during the PVP workshops and presentations of other participants). This does not include time required to advance projects outside of scheduled activities.

JOIN US ON THIS JOURNEY

Our project will run from 2021 – 2023 and is funded by the ERASMUS+ Knowledge Alliance programme.

We invite you to join us as we identify, map develop, organise recognise and champion the societal value and impact of social sciences and humanities research.
